Sara, Can I call you about the memo? Apparently there is some confusion regarding potential comments by the OAR IO on the version sent by you on 11/19. Thanks! Bill

Debra,

I am not aware of any changes to the document since I sent it to Bill Lamason, Josh Lewis, David Harlow and Kevin Culligan on Monday. We put OECA's signature process on hold waiting for OAR front office review. Thanks.

Importance: High

Sara,

It is my understanding that there may have been more changes to the MM2A Memorandum based upon staff input. Please provide the final version of the document to me. We will be staffing the document for signature from here. Wehrum will be doing a final review and will be signing first.

Thank you, Debra
